GENERAL REQUIREMENTS FOR CUBS AND CHICKS

Duration of programs: Free Skating: 2 min, +/- 10 sec

Singles Girls and Boys for Chicks and Cubs categories: warm-up groups can be maximum up to eight (8) Skaters.

Warm up time: for girls and boys 4 minutes.

Technical Requirements

A well balanced Free Skating program for Single Skating boys and girls must contain:

- Maximum of four (4) jump elements one of which must be an Axel type jump. There may be up to two (2) jump combinations or one (1) jump combination and one (1) jump sequence. Jump combinations and the jump sequence consist of two (2) jumps. In the jump sequence the second jump must be an Axel type jump with a direct step from the landing curve of the first jump into the take-off curve of the Axel jump. One full revolution on the ice between the jumps (free foot can touch the ice, but without weight transfer) keeps the element in the frame of the definition of a jump sequence. Jumps executed in a jump sequence receive their full value. No triple and quadruple jumps are allowed. Only one single jump and one double jump (including Double Axel) can be repeated once.
- There must be a maximum of two (2) spins of a different nature (abbreviation), one of which must be a spin combination and one must be a spin with no change of position and no change of foot. The spin combination with a change of foot must have a minimum of eight (8) revolutions and without a change of foot with a minimum of six (6) revolutions. Flying entry is allowed. If with change of foot, only one level feature per foot will count. The spin in one position without change of foot must have a minimum of six (6) revolutions, must be done in a basic position without any difficult variation positions and will be called maximum level basic.

After the required revolutions it is allowed to execute difficult variations, but these will be ignored by the Technical Panel. Flying entry is not allowed.

- There must be a maximum of one (1) step sequence fully utilizing the ice surface and including at least one skating movement such as a spiral, spread eagle, Ina Bauer, hydroblading etc. If the skating movement is missing, no Level will be given. The Technical Panel will not award Feature 3) Use of body movements for at least 1/3 of the pattern and Feature 4) Two combinations of 3 difficult turns on different feet.

Levels explanations

For Chicks and Cubs Singles, in all elements that are subject to Levels, only features up to Level 2 will be counted. Any additional features will not count for Level requirements and will be ignored by the Technical Panel.

The following Program Components are judged:

- Composition
- Presentation
- Skating Skills

The factor for the Program Components is 1.67

All other General rules and Technical Requirements are the same as ISU rule for Single Skating Basic Novice - Girls and Boys written in Communication No. 2624.

The same ISU Rules regarding judging, refereeing and the work of the Technical Panel apply as in Junior and Senior International Competitions.

ENTRIES

Competitors must be entered through their clubs, which are members of National Figure Skating Federations, associated with the ISU. Each club may enter 2 competitors in each category (2 males and 2 females). The Organiser reserves the right to enter more competitors.

In case of too many entries, the organizer reserves the right to limit the number of participants.

The entries for the competition must be done via web portal – www.europeancriterium.eu.

Before entry procedure a representative of each federation/club needs to apply for a new account on www.europeancriterium.eu/Account/Register.
